

Product SKU Number Change Announcement
March 2015

Dear Valued Customer,

In an effort to simplify our catalog, KMEW Co., Ltd., the manufacturer of the CERACLAD Rain Screen Exterior Siding System, is changing the SKU # for Horizontal Starter Bars. The design of the Starter Bar has not changed in any way. Should you have any additional questions about this change, please do not hesitate to contact us.

- **Affected Products:**
 - **Starter Bars for Horizontal Panel Application (15mm)**
- **Effective Date: Effectively Immediately**

Product	Old SKU	New SKU
Starter Bars for Horizontal Panel Application (15mm)	B10152J	B10152

There is no change to the product, price or quantity per box.

This product can be used interchangeably with those with the old SKU number. Starting immediately all quotes should use the new SKU number.
