

Product Change Announcement July 2015

Dear Valued Customer,

In an effort to offer our customers the best products for the CERACLAD Rain Screen Exterior Siding System, KMEW Co., Ltd., the manufacturer of CERACLAD, has modified the ingredients in the CERACLAD Ceramic Coating. **This product change will only affect “Contemporary Smooth” textured panels and the reformulation will not affect the product performance or product warranty.** The difference in the color appearance of the 15 color palette with the new Ceramic Coating will be almost indistinguishable from the old Ceramic Coating. Regardless, KMEW has recommended refraining from using panels with the old Ceramic Coating and the New Ceramic Coating on the same project to avoid any discontinuity. Should you have any additional questions about the product, please do not hesitate to contact us.

- **Affected Product:** “Contemporary Smooth” Texture CERACLAD Panels, Corners and Touch-up Paints.
- **Effective Date:** Ship-out date of 8/1/2015 or later.
